THESE TWO HERD BULLS SELL . . .

MELBOURNE BANNOCK – He stood third in a class of 12 summer yearlings, 1960 Illinois State Fair. We bought this son of the \$35,000 Leveldale Basis from John Alexander & Sons. His dam is a full sister to the 1954 Perth champion female. Many of the top females selling are mated to him.

EDELLYN BRAEMAR – First son of Beaufort Bulldozer and out of Edellyn Jealousy 19th by Edellyn Royal Leader. He's six years old, but sound as a dollar. He sired Mid-Kansas and Kansas State Sale champions in 1958 and 1959.

ALSO SELLING: 10 daughters of Edellyn Baronet Mercury; 40 daughters of Edellyn Braemar; 17 daughters of Diamond Mercury 29th and 3 daughters of Edellyn Royal Leader 141st.

A 100% producing herd of middle-of-the-road type cattle, selling without any special fitting. We doubt if there is a better-headed cow herd in the Middle West. Every female selling has been officially vaccinated for Bangs and every female selling will be pregnancy tested. Only 14 cows over 6 years of age.

GENERAL INFORMATION

LOCATION – The sale will start at 12:00 Noon on Wednesday, April 5th and will be held in the modern new, Cow Palace Sale Pavilion, Newton, Kansas. Prior to the time the cattle are moved to the sale pavilion, the Reussers will be glad to show them to you at their farm located just south of Mulvane, Kansas. Mulvane is 15 miles south-east of Hutchinson. Plenty of hotels and motels available in Newton and the main line Rock Island and Santa Fe Railroad service available for passengers as well as live-stock shipments. Braniff Airline serves Wichita, Kansas and planes will be met by appointment. Good trucks also available locally for short and long distance hauls.

However, we would like to point out that nearly everything of breeding age, has a calf at foot and everything will be healthy and T. B. and Bangs tested and all bred females will be pregnancy tested. The two herd bulls, however, sell fully guaranteed. Here's one of the good working herds of Shorthorns in Middle West and you can buy with confidence.

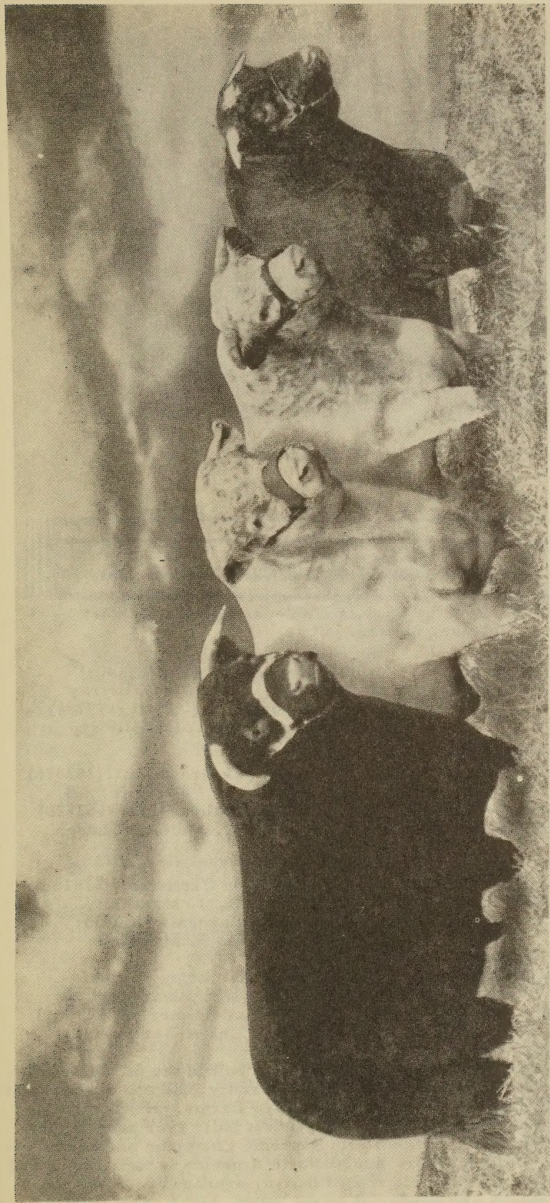

TERMS – The terms of the sale are cash.

HEALTH – All cattle will be T.B. and Bangs tested, and official calf-hood vaccination for Bangs disease has always been practiced. All cattle are guaranteed to comply with the health regulations of any state or country into which they may go.

EDELLYN BRAEMAR — He was the first son of the great Beaufort Bulldozer and we purchased him in the 1955 Edellyn Farms sale for \$2,000. Beaufort Bulldozer was one of the greatest sires of the Shorthorn breed and his first son and first daughter produced in America, were International grand champions. One of his last daughters was International grand champion female two years ago at Chicago. The dam of Edellyn Braemar, Edellyn Jealousy 18th, was by the noted Edellyn Royal Leader and out of Edellyn Jealousy 2d whose dam, Scotston Jealous Jean, founded the Jealousy family in the Edellyn herd. This cow and her descendants, made Shorthorn history. They produced the noted Edellyn Royal Leader 33d that sold for \$7,200; Edellyn Royal Leader 23d, the great sire of champions; the \$5,000 Edellyn Royal Leader 46th; Edellyn Jealousy 9th that sold to Ringwell Farms for \$3,600, and many others. Edellyn Jealousy 18th, in addition to producing Jealousy Braemar, also produced Edellyn Jealousy 27th, purchased by Almahurst Farms, Kentucky in the 1954 Edellyn Farms sale for \$2,500. 40 daughters of Edellyn Braemar sell in this sale and you will like their great heads and the quality of everyone of them. He is just a six-year-old bull, as sound as a dollar, and can do someone else a lot of good. We are selling him fully guaranteed.

SHORTHORNS THAT CAN GO RIGHT TO WORK AND MAKE MONEY FOR YOU FROM THE START

Here are Shorthorns that can fit into any plan of good, solid beef production and they represent the most intensified herd of Edellyn Farm breeding that can be found anyplace in America. The record of Edellyn Braemar proves that he is one of the best of the Bulldozers. He sired the reserve grand champion bull and the grand champion female in the 1958 Mid-Kansas Sale at Salina.

He sired the top selling bull at the 1958 Kansas State Sale at Hutchinson.

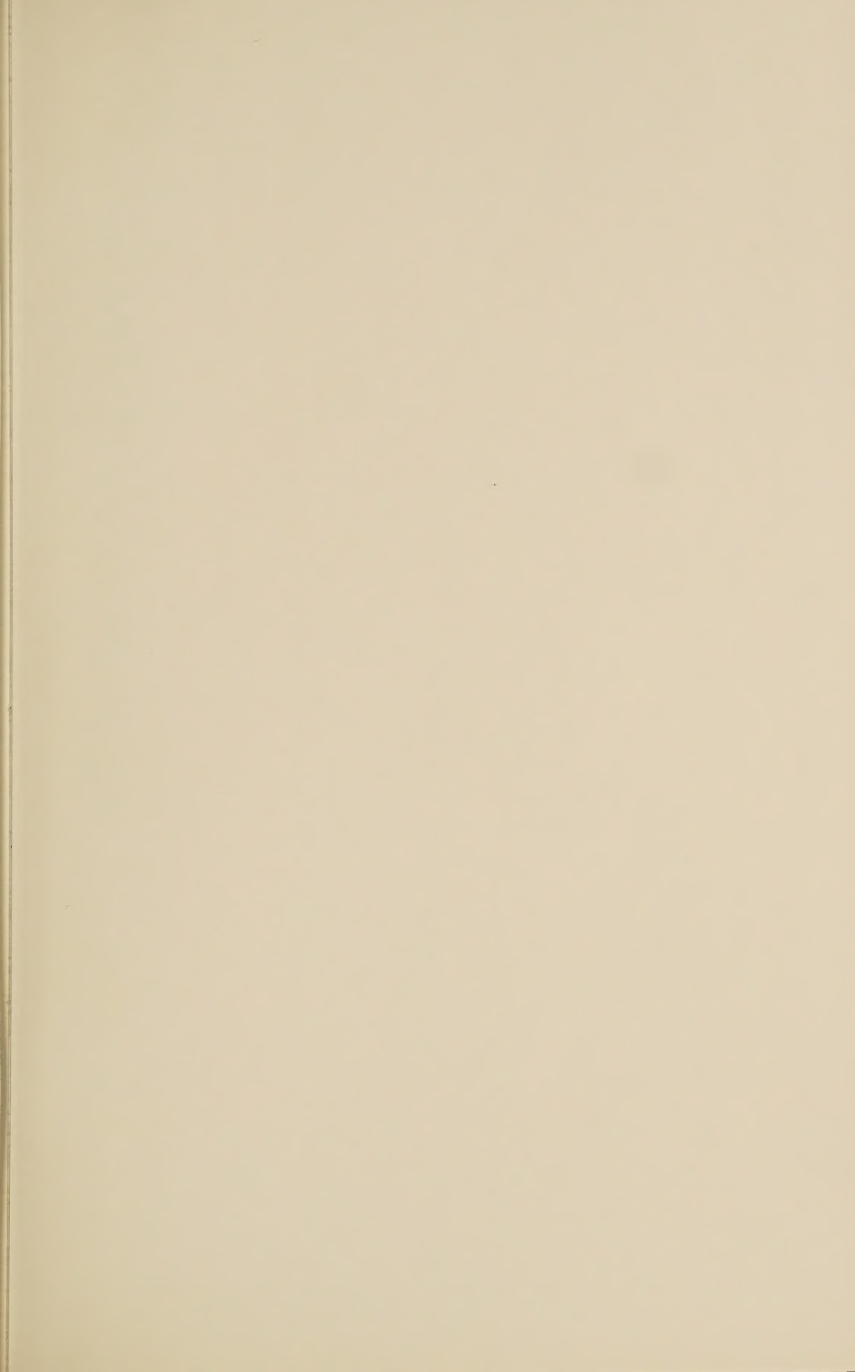

He sired the champion female at the 1959 Mid-Kansas Show and Sale at Salina. He's still a young bull, only 6 years of age, and 40 of his good-headed, breedy daughters sell in this sale.

If you want to go ahead breeding good cattle that will use feed efficiently, make rapid and profitable gains and be capable of satisfying your customers, then here is one of the best opportunities you will have this spring.

Lot 1**

EDELLYN BRAEMAR, first son of Beaufort Bulldozer and out of Edellyn Jealousy 19th by Edellyn Royal Leader. He's six years old but sound as a dollar.

**He

Lot 2**

MELBOURNE BANNOCK stood third in a class of 12 summer yearlings, 1960 Illinois State Fair. We bought this son of the \$35,000 Leveldale Basis from John Alexander & Sons. His dam is a full sister to the 1954 Perth champion female. Many of the top females selling are mated to him.

145 HEAD SELL

3 bulls

60 cows and calves

8 bred heifers

14 open heifers

Entire herd is of Mercury and Royal Leader breeding. There will be 40 daughters of Edellyn Braemar. A 100% producing herd of middle-of-the-road type cattle selling without any special fitting. We doubt if there is a better-headed cow herd in the Middlewest.
